

Manufacturers, Suppliers, & Partners Line Card 2017

ALTECH CORPORATION Terminal Blocks, Circuit Breakers, Enclosures	PHOENIX CONTACT Contactors & Motor Control, Terminal Blocks
BABBIT INTERNATIONAL INC Level Sensors, Ultra Sonic & Radar Level Transmitters, Bag House Pressure Transmitters, Dry Material Flow Switch, Dust Emission Monitor	PULS POWER Single & Three-Phase AC/DC Power Supplies, AC/DC Converter
CARLO GAVAZZI Photoelectric & Proximity Sensors, Level Switches & Dupline	RED LION CONTROLS Mag-Pickup, Encoders, Digital Panel Meters & Operator Interfaces
EATON/CROUSE-HINDS Commercial Solar Solutions, Drilling & Marine, Power & Control, Apparatus, Enclosures, Fittings & Glands, Industrial Connectivity	RK ELECTRONICS Motor Protection, Surge Suppressors, Timing Relays
EATON/CUTLER-HAMMER Circuit Breakers, Contactors, Relays, PLCs, Industrial Systems, Starters, Motor Control Centers, AC Drives & Switchgear	RITTAL CORPORATION Enclosures, Climate Control Systems, Power Distribution
GE INDUSTRIAL SOLUTIONS Includes the following relationships: Industrial Systems-Circuit Breakers, Contactors, Relays, PLCs, Industrial Systems, Starters, Motor Control Centers, AC Drives, Switchgear, Power Magnetics-Liquid-Filled Transformers	SAGINAW CONTROL & ENGINEERING Standard and Custom Enclosures
GE MULTILIN Transformers (Control, Potential, Voltage & Control Power 600V Class & Current Voltage), Ground-fault and Sensing Relays	SIEMENS - SYNERGY PARTNER PLC, HMIs, Contactors & Overloads, Pilot Devices, Soft Starts, Motor Control Centers, AC Drives & Switchgear
HAMMOND MANUFACTURING NEMA & Stainless Steel Enclosures, Electrical Racks & Cooling Packages	SOLA/HEVI-DUTY DC Power Supplies & Transformers
HAMMOND POWER SOLUTIONS Dry Type, Transformers, Reactors & DV/DT Filters	SPRECHER + SCHUH Contactors, Pilot Devices, Overloads, Terminal Blocks & Motor Circuit Protection
HOFFMAN Enclosures, Boxes, Cabinets, Panels, Cable Support, Wire-way & Trough	TRANSCOIL, INC. Line Reactors & Drive Filters
HUBBELL/KILLARK Fittings, NEMA 7/9 Enclosures, Pilot Devices, Lighting, Pilots & Receptacles	TOSHIBA AC Drives, Electric Motors, PLCs, UPS Systems & Vacuum Contactors
MERSEN Fuses, Fuse Blocks & Holders, Power Distribution Blocks, Surge Protection Devices, Circuit Protection Accessories, Disconnect Switches & High Power Switches	WEG Motors-Explosion Proof, Vertical Hollow Shaft, IEC Metric, Fractional HP General Purpose, NEMA Premium, Crusher Duty, Soft Starters, Control Products
PEPPERL + FUCHS Proximity & Ultrasonic, Photo Sensors, Encoders & Barriers	WEIDMULLER Circuit Protection, Connectors, Sensors, Enclosures, Terminal Blocks & Surge Protection

CORDYNE® Industrial Controls supplies components and designs and manufactures products for your project's success.
CORDYNE® is the one-stop company for all your industrial & electrical control needs.
